

US PATENT ISSUED IN BARD1 PATENT FAMILY FOR LUNG CANCER DIAGNOSIS

- **US Patent No 11137402 granted covering lung cancer diagnosis**
- **Protects a BARD1 autoantibody test for diagnosis of lung cancer in key US market**

Melbourne, Australia, 12 November 2021: BARD1 Life Sciences Limited (ASX:BD1) (**BARD1** or the **Company**) announces that US Patent No: 11137402 titled “Lung Cancer Diagnosis” was issued by the United States Patent and Trademark Office.

The issued US 11137402 claims are directed towards methods for detecting antibodies to BARD1 peptides, methods for diagnosing lung cancer and kits for lung cancer diagnosis. The patent application was filed by BARD1AG SA (a fully owned subsidiary of BARD1 Life Sciences Ltd) on 5 November 2014 and is due to expire on 5 February 2035.

CEO Dr Leearne Hinch said: “This patent family enforces intellectual property protection in the US for a potential BARD1-Lung cancer test that detects autoantibodies associated with lung cancer.”

Authorised by the Company Secretary, Tony Di Pietro.

ABOUT BARD1 LIFE SCIENCES LTD

BARD1 Life Sciences Ltd (ASX:BD1) (**BARD1** or the **Company**) is an Australian diagnostics company with an innovative portfolio of diagnostic technologies and products. The Company is focused on developing and commercialising diagnostic solutions for healthcare professionals and patients. BARD1 has commercialised the hTERT test used as an adjunct to urine cytology testing for bladder cancer and the EXO-NET pan-exosome capture tool for research purposes. Our cancer diagnostic pipeline includes tests in development for ovarian and breast cancers, and research-stage projects for prostate and pancreatic cancers. For more information on BARD1, see www.bard1.com and www.exo-net.com.

FORWARD LOOKING STATEMENTS

This announcement contains certain ‘forward-looking statements’ within the meaning of the securities laws of applicable jurisdictions. Forward-looking statements can generally be identified by the use of forward-looking words such as ‘may’, ‘should’, ‘expect’, ‘anticipate’, ‘estimate’, ‘scheduled’ or ‘continue’ or the negative version of them or comparable terminology. Any forecasts or other forward-looking statements contained in this announcement are subject to known and unknown risks and uncertainties and may involve significant elements of subjective judgment and assumptions as to future events which may or may not be correct. There are usually differences between forecast and actual results because events and actual circumstances frequently do not occur as forecast and these differences may be material. The Company does not give any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur and you are cautioned not to place undue reliance on forward-looking statements.
